¹Analysis performed using UW-Madison FeedVal v6.0: http://dairymgt.info/tools/feedval_12_v2/index.php including 26 feed ingredients displayed in top part of the table, 4 nutrients: RUP, RDP, NEL, and peNDF; and using general wholesale FOB Midwest input prices. These results might change substantially depending on: local input prices, nutrients, and feed ingredients used for price formation. For more in-depth analyses please use the FeedVal v6.0 decision support tool and local input prices.
